RE: *United States v. Oscar Martinez*, 15 Cr. 580 (RA)

Dear Judge Abrams:

I represent Oscar Martinez in the above-captioned matter. I am writing to request that the Violation of Supervised Release, currently scheduled for July 9, 2020 be adjourned until late September. Mr. Martinez is in an inpatient drug treatment program. The adjournment will allow him time to complete the program and to resume his outpatient drug treatment. Prior to his entering the treatment program, Mr. Martinez was working for the MTA as a contractor cleaning the subways at night. His supervisor has told him that he will be able to return to work when he graduates from the program. This adjournment will allow Mr. Martinez time to complete his drug treatment, resume his mental health treatment, return to work, and continue on the process of integrating into society. I thank the Court for its attention to this matter. The government and probation join in this request.

Application granted. The conference
is adjourned to September 28, 2020
at 12:00 p.m.

Kind regards,

/s/

SO ORDERED.
